

JUNE 26 - 30, 2025

PRIDE WEEKEND
NEW YORK CITY

“The best roundup in the world!”

WHAT IS GSM?

GSM stands for the Gay & Sober Men’s Conference—a unique, global gathering dedicated to gay men in recovery from alcoholism and drug addiction.

This four-day event is packed with workshops, activities, big meetings, amazing parties, and top-notch entertainment.

But GSM isn't just for cis gay men.

We warmly welcome trans men, queer boys, gender-fluid, and non-binary folks too.

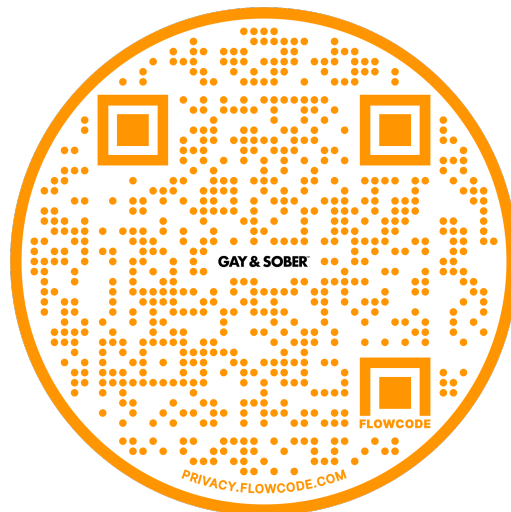

If you vibe with gay male culture, you’re going to LOVE this event.

Our celebration wraps up on the last Sunday in June with an invitation to everyone in the LGBTQ+ community to march in the largest Pride Parade. The day ends with a floating dance party on the river, featuring an incredible fireworks display.

Don't miss out on this fun and sober celebration. See you in New York!
